KIDS DAY

Was a great success we had a great turnout and was a well ran event thanks to all the kids that participated. Canine units from Chelan and Douglas County were both present and did a great job of showing and telling us what their dogs can do. Both dogs are trained for search and rescue and also as drug sniffing dogs and they both showed their skills in that area as they were able to find some spots throughout the room. The Douglas County dog also showed us how protective he can be when a person is resisting arrest or threatening his officer. Douglas County's dog is Zilla who is 9 ½ years old and is close to retirement. With all that is going on with the budget most of the funding comes from personal and public donations. We would like to thank everyone that participated in the event and thank you very much to the deputies.

These are just some of the great pictures taken by Mike Lemcke to show everyone how much fun was had by all.

Committees! Let the club know when your committee is meeting or what events are coming up. Contact Marcia Maloney before noon on Monday to put it in the newsletter.
