## Diabetes Auction

Thank you to all Lions who donated items and who purchased items! We raised approximately **\$2,833** for scholarships to send children with diabetes to camp. We also had an excellent program from John Brown, a parent of a child with diabetes. His message what that while at camp, his daughter felt "normal" as she knew all of the other campers knew the challenges that she had to face each day and did not treat her any differently. As the parent of a child with different special needs who also attended "Kidney Camp" in the summers, the chair person of this committee seconds the message.
