Induction of New Member DJ Dorey

DJ grew up in Wenatchee and then attended University of Washington. Came back to Wenatchee in 1998 and began working for the Bank of America. Tried some time in Real Estate and then decided to go back to banking when offered his current position as a Bank Manager at WA Trust Bank.

He has 2 children: Samantha who is 6 years old and Joseph who is 8 years old. Making him a very busy dad of 2 young kids.

It was also brought to my attention that the first project he is going to participate in is the Apple Blossom pageant and there is a personal

connection to this event. DJ's grandmother was an Apple Blossom Queen in 1941. She was Miriam (Mimi) Corner Welty.

Congratulations DJ and welcome to the club.

Ryan Blakney Baseball
Umpire and son of Phil
Blakney

Ryan started his career as an umpire at the Morris League field for \$5.00 a game where he made some good money since his mom was the scheduler. Got his AA done and then went on to follow his dream of being a Major League Umpire. He then headed to Florida in January 2006 to start Jim Evan's Academy of Professional Umpiring.

The school is 5 weeks long, 6 days a week from 8am to 6pm. 8am to noon is classroom work and after lunch drills on the field. After you are done with the school the top 25 move to the next level where you have a 10 day evaluation to be looked at to move on to a job.

After Ryan finished school he moved on and started in the Arizona League where he worked 56 games. He then moved to the Northwest League for 76 games where you are then evaluated at the end of the year and the top 10 move to the next league. After he passed the evaluation Ryan then moved to the Midwest League which went from April 3, 2008 to September 1, 2008 with 144 game season.

Then in 2009 he moved to the Carolina League which is an older league.

Ryan was hurt in this season and he was out for a concussion. He then made a lateral move to the California League to be closer to home. In this league he was matched with another umpire who was from Seattle and was able to do a lot of other personal activities: Six Flags, US Open in Vegas, and Warner Bros Studios. He is now moving up to the Triple A League and going to the Texas League where there are 3 umpires together unlike the other leagues he has been in that are only 2 umpires.

Congratulations on your success and thank you for sharing your experiences with our club.
