Marsha Clute

She came to let us know what is going to be happening at the fair this coming weekend. There are quite a few entertainment items old and new that will be happening this weekend. There will be the carnival of course but along with that they will be having Jeff Evans the magician, Cook's racing pigs and three shows with animals. There are the Predators of the Heart which includes a cougar, wolf, alligator and a boa snake. The other is the One Armed Bandit which has 3 horses and 3 buffalos and the last one is the Sardis Raptor Center which is a Bird of Prey Rescue that rescues injured birds and nurses them back to help to return them to nature and they are a non profit organization. These and many other things

are some of the great things happening at the fair. Hope to see you there and thank you Marsha for joining us.

Zone Chair
David Severance

He sent out a big thanks to all our club officers. Lots of things going on in our club internationally and locally to help our club and our communities. He has a few programs that he wants to work on during his term. One is the petition drive for the centennial coin to congress, Lion for a life project, and Helen Keller Awareness Club where he is working to make sure every school and library in our zone has something either written by or about her in their collection.

He also let us know that their will be a Zone Advisory Meeting after the putting golf tournament on Sept. 17th and the Fall forum October 13-16 in Yakima if any one is interested. He also commented on making new members feel welcome and to also

remember all members need to be greeted and also focused on the environmental goal of planting trees throughout the year by wanting 1 tree per member in the district.

Want to thank David for being part of our club as well as the program for the week. Thanks

Golf Putting Tournament

The Greater Wenatchee Sunrise and Wenatchee Valley Lions Clubs are celebrating their 15th year of sponsoring their putting tournament with a name change "Putting for Sight (and Hearing.) The tournament will be held Saturday September 17th at Desert Canyon Professional Putting Course north of Orondo. Registration begins at 8:45 AM with play immediately following. There are several divisions of play, awards, a quality putter awarded to both the male & female player with the lowest overall score and great raffle prizes. The majority of proceeds go to fund vision and hearing related services. We hope to see some teams from Wenatchee Central Lions Club there competing for the top prizes. For further information or golfing entry forms, contact Suzanne Myrene at 663-6918 or birdsong267@aol.com.
